

Dr Anoop T Sunny

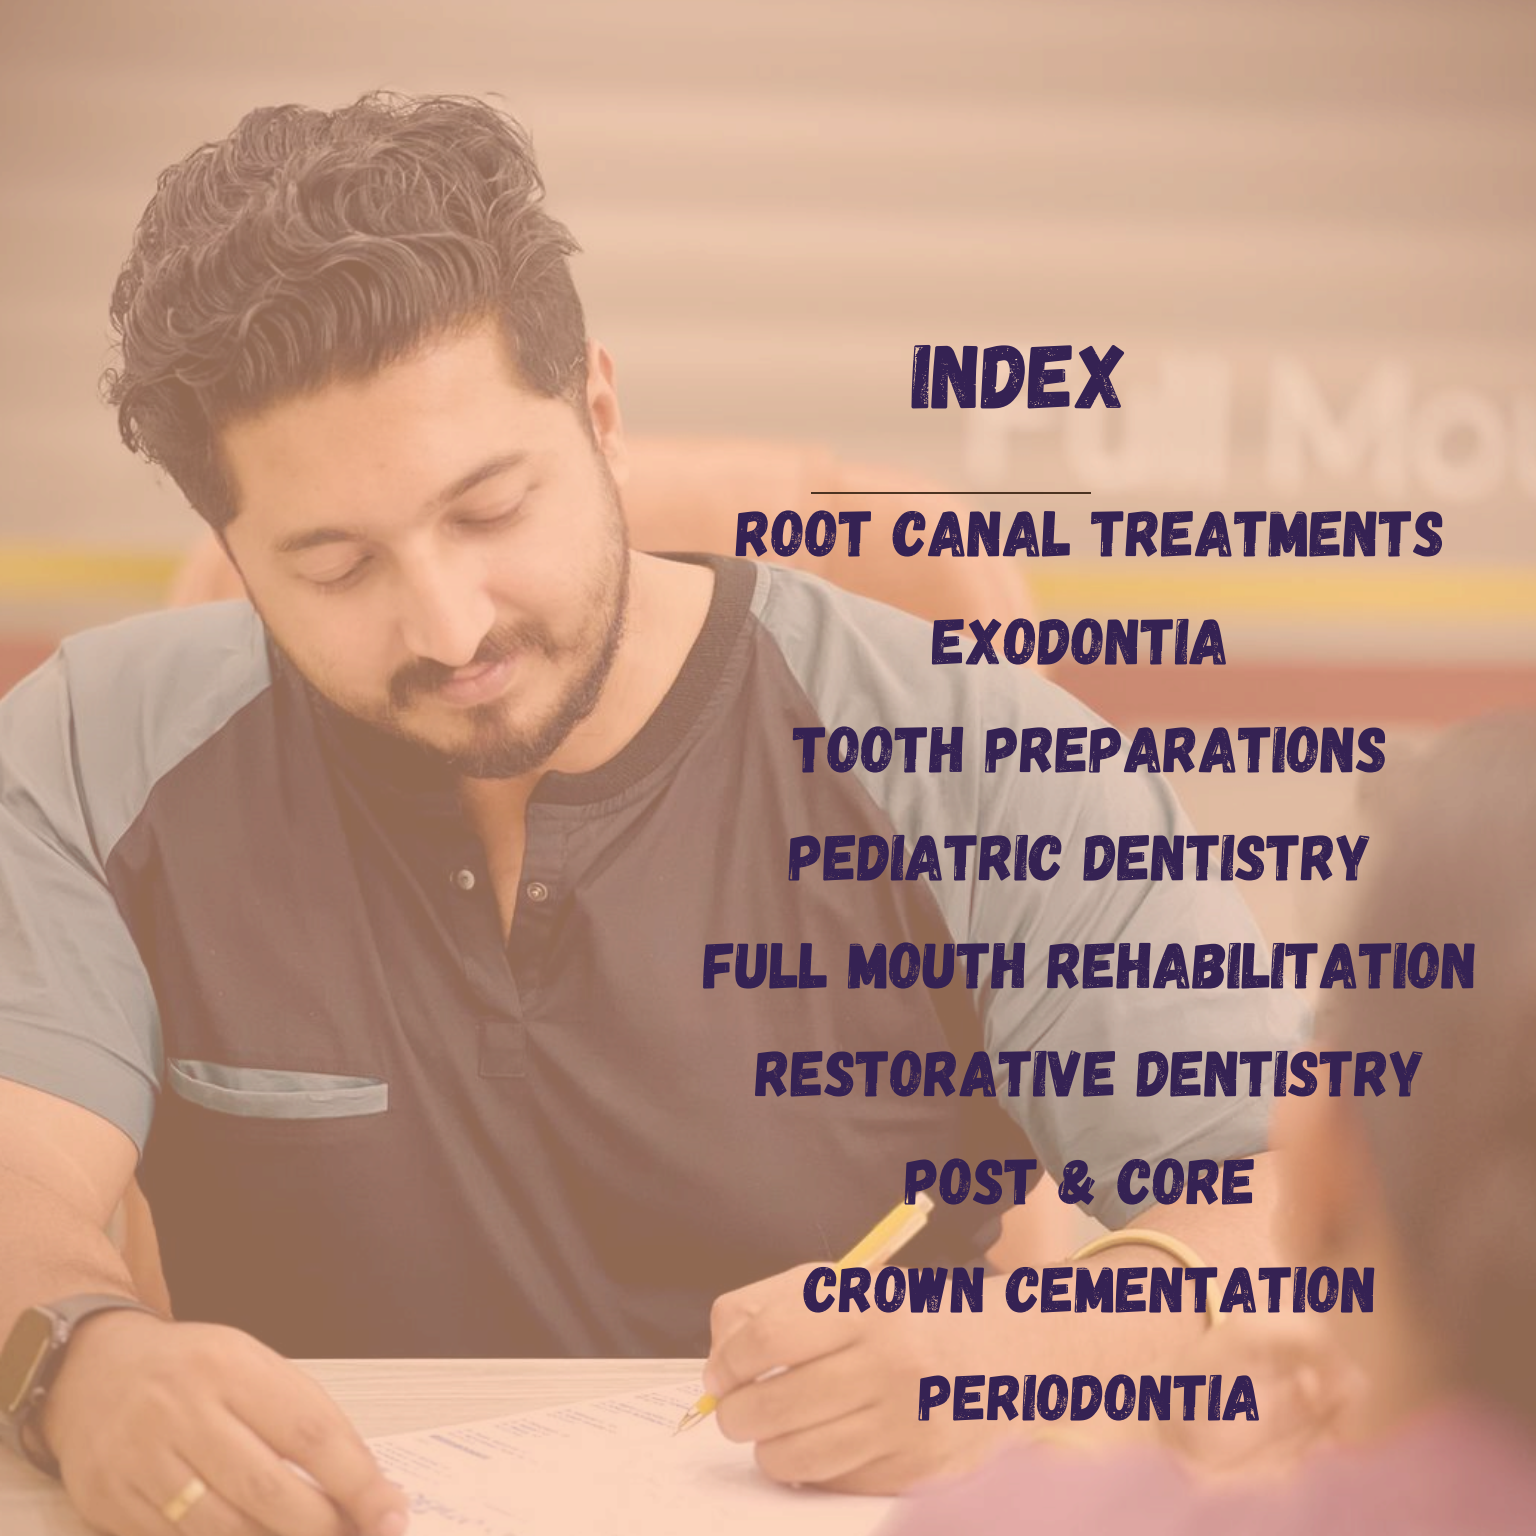

A conceptual image of a dental arch with human figures on ladders. The background is a close-up of a dental arch with several large, white, glossy teeth. Three small human figures in white protective suits and hoods are positioned on ladders that are leaning against the teeth. One figure is on a ladder on the left, another is on a ladder in the center, and a third is on a ladder on the right. The ladders are made of a light-colored material, possibly wood or metal, and are positioned at different heights. The overall scene suggests a metaphorical journey or a process of dental work.

PREFACE

Dentistry is where science meets art, where precision meets compassion, and where each tooth tells a story .This portfolio is a reflection of my journey through that intersection—a collection of cases that highlight my growth, skills, and dedication to restorative and aesthetic dentistry.

This portfolio not only showcases the procedures and outcomes but also reflects the principles I uphold: meticulous planning, evidence-based practice, and continuous learning. I have included a variety of cases to demonstrate the scope of my clinical work— from conservative restorations to full mouth rehabilitations—along with the rationale and techniques behind them.

I hope this collection offers insight into my passion for dentistry, my attention to detail, and my commitment to delivering care that is not just clinically sound, but personally meaningful to every patient I serve.

A 3D medical illustration showing a cross-section of a tooth undergoing root canal treatment. A dental handpiece is positioned at the top left, emitting a fine stream of fluid into the crown of the tooth. A long, thin file is inserted into the root canal, reaching the apex. The pulp chamber and root canal are highlighted in a bright yellow-orange glow, indicating the area being treated. The surrounding tooth structure and the jawbone are shown in a realistic, semi-transparent manner. The text "ROOT CANAL TREATMENT" is overlaid in a bold, white, distressed font across the middle of the image.

"HERE, PRECISION IS BORN FROM PERSISTENCE"

A 3D rendered cartoon tooth character with a friendly face, including large dark eyes, a wide smile showing small teeth, and rosy cheeks. The character is standing on a white dental chair. The background is a warm, orange-toned dental clinic with two large overhead surgical lamps visible.

PEDIATRIC

DENTISTRY

A man with dark hair and a beard, wearing a teal shirt over a black vest, is giving a thumbs up. He is smiling and looking at the camera. A young girl with dark hair, wearing a red shirt and a black skirt with pink hearts, is standing next to him, holding a purple gift box with yellow floral patterns. She is also smiling. The background is a blurred indoor setting.

A large heart shape is constructed from a dense network of steel rebar. Several construction workers are perched on the upper edges of the heart, while many others are positioned around its base, working on the foundation. The scene is set in a vast, open, light-colored area, possibly a construction site or a large hall. The overall image has a warm, sepia-toned aesthetic.

A male dentist with dark, wavy hair is focused on examining a patient's teeth. He is wearing a light blue surgical mask and purple nitrile gloves. He is dressed in a brown button-down shirt. The patient is lying back in a dental chair, and the dentist is leaning over them. The background shows a typical dental office setting with wooden paneling and a window. The text "SMILES THAT SHINE BRIGHTER THAN FEAR" is overlaid in white, bold, sans-serif font across the middle of the image.

ACKNOWLEDGEMENT

No journey in dentistry is ever taken alone. I am deeply grateful to the mentors, educators, colleagues, and patients who have helped shape the clinician I am today.

To my mentors—thank you for sharing your wisdom, encouraging my curiosity, and holding me to the highest standards of clinical excellence. Your guidance has been invaluable.

To my patients—thank you for your trust. Every case in this portfolio exists because of the opportunity to care for you.

To my peers and team—thank you for the collaboration, feedback, and camaraderie that make every day in dentistry a shared pursuit of better outcomes.

This portfolio is not the end, but a reflection of where I've been and a glimpse of where I hope to go. I look forward to continuing this path with integrity, empathy, and an unwavering commitment to lifelong learning.

**With gratitude
Dr ANOOP T SUNNY**

A photograph of a dental procedure. A male dentist in a plaid shirt and blue surgical mask is performing a procedure on a patient. The patient is lying back in a dental chair, wearing a blue protective bib with white patterns. A female dental assistant in a pink top and black hijab is assisting with the procedure. The scene is set in a dental clinic with a surgical light visible in the background. The text "THANK YOU" is overlaid in large, white, distressed font across the center of the image.

THANK YOU
